Year 5/6

World War One heritage project

Children will be learning about significant turning points in history and gaining a local, national and global perspective.
They will also find out how people's lives have been shaped by the wider world.

Music: Ms. Owen-Smith

- Charanga unit – Livin' on a prayer
- World War One songs

Science:

- Properties and changes of materials.
- Pupils will explore and compare the properties of a broad range of materials.
- They will also explore reversible and irreversible changes.
