

April 2015

Dear Parent/Carer

I would like to invite your son/daughter to work on a short project making fruit batteries and indicators based at Litcham School. This will give your son/daughter the opportunity to carry out a series of experiments in the science laboratory.

The children will handle a variety of fruits, berries and potatoes but will not be eating or drinking any of the items used. Please let me know if your child has any allergies.

The investigation will run for 2 afternoons on Wednesday 29th April and Thursday 30th April. The students will be picked up (after lunch) and returned to Great Dunham School by coach in time for close of school. Normal school uniform should be worn. There is no cost involved.

If you have any queries please do not hesitate to contact me. I would be very grateful if you could return the reply slip and consent form to Great Dunham Primary School.

Yours sincerely

E. Ridge
Science College Coordinator

.....

Reply slip to be returned to Great Dunham Primary School.

Student's name:

I give/ do not give permission for my son/daughter to attend Litcham School for the Year 5 project. (please delete as appropriate)
